

Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 10 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Very windy overnight. Windy with blustery showers on Thursday.

This Evening and Tonight:

Very windy overnight with gales in places, especially over the hills. Residual rain clearing east, soon followed by blustery showers. These turning heavier and more frequent later in the night, with a band of heavy rain moving quickly east. Minimum temperature 7 deg C (45 deg F).

Thursday:

Continuing windy with fairly frequent blustery showers for all parts. However, there will also be sunny spells in-between. Feeling on the chilly side. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:

Friday and Saturday, windy with sunny spells and heavy blustery showers, wintry on hills. Some heavier rain early hours of Saturday. Sunday, drier and brighter before evening rain arrives. Breezy.
